

**AFOA Canada – Former National Chiefs Panel
2016 National Conference, Montréal, Québec
DVD ORDER FORM**

This video footage was taken during the 2016 AFOA Canada National Conference held in Montréal, Québec. This footage marked a historic event. For the first time, five former National Chiefs of the Assembly of First Nations sat on a panel together to speak about their time in office. It was moderated by a former Prime Minister of Canada. They discussed what they were trying to achieve and what unfinished business was left on the table as they exited the Office of the National Chief. The panelists were inspirational, moving, witty and emotional at times. The DVD has two parts with one hour of speeches and one hour of questions and answers.

Proceeds from this DVD will go directly to the *Indigenous Learning Centre's* (AFOA Canada's charity) Scholarships & Bursary fund.
