There is a great demand both within Aboriginal communities and off-reserve for Aboriginal financial management professionals. However, very few of our young people are pursuing an education in financial management after high school. There are many opportunities for those who want to pursue this career path and there are many sources of assistance.

That is why AFOA Canada and PotashCorp have come together to offer PotashCorp Aboriginal Youth Financial Management Awards and Scholarship Program. Applicants will be subject to a two phased program with this award.
